

Southside Darts Retiree League Rules

Revised: 10-6-09

Note: This is a document in progress; nothing here is set in stone.

Anyone can play and no team is required. Individuals will draw for partners each day, teams of 2 or 3 will be formed from the players present depending on the number of players available to play.

Any even number of players can be accommodated.

No player will play more than twice with any other player - it will be necessary to redraw a pill if that scenario comes up in a 12 week session or less. This rule applies only to the two man format.

The cost is \$5 per match. You do not have to play every week to qualify for the playoff tournament.

Match format:

- EACH PLAYER WILL PLAY 8 GAMES PER MATCH
- EACH PLAYER WILL DRAW A NUMBER FROM THE PILL BOTTLE (1 THRU 6, 1 THRU 8 OR WHATEVER IS APPROPRIATE).
- PLAYER NUMBERS WILL DETERMINE WHAT SPOT ON THE SCORESHEET THE PLAYER WILL FILL; THIS MEANS THAT IT WILL ALSO DETERMINE PLAYING PARTNERS FOR THAT MATCH.
- TEAM WITH LOWEST SINGLE AVERAGE STARTS THE FIRST GAME OF THE MATCH. IN THE EVENT OF A TIE, THE PLAYERS SHALL CORK TO DECIDE WHO STARTS
- DOUBLES GAMES ARE STARTED BY THE LOSER OF THE PREVIOUS DOUBLES GAME
- LOWEST AVERAGE ALWAYS STARTS IN 301 GAMES - CORK IN THE EVENT OF A TIE

End of session:

Player win/loss percentage is kept separate for each player.

Two-thirds of the total number of contests possible must be played to be eligible to win prize money.

.005 points will be deducted from the win/loss percentage for each contest missed.

Current session will last 12 weeks
